RE: Daniel Hulbert, Owner, Mobilwash, LLC

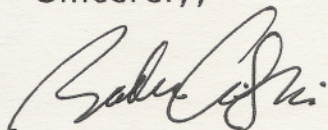

To whom it may concern:

This letter is written in reference to Mobilwash, LLC pressure cleaning services and kitchen exhaust cleaning services. As one of the largest parishes within the Palm Beach Diocese, we have used this company on several occasions for sizable projects, including the cleaning of all Spanish tile roof surfaces for the main church as well as the parish center, offices and priest's residence. Additionally, updating of ducting systems and regular cleaning of our hall kitchen exhaust systems is part of this company's scope of work for us.

What sets this company apart from others is the integrity of its owner, Daniel Hulbert, and the care and thoroughness of the work done. Couple that with the best price and it is a "win-win" situation. I could not speak more highly of our satisfaction with Dan and his ever present personal touch with the projects he has undertaken.

I would highly recommend him and Mobilwash, LLC. Should you have any questions, please contact me at (772) 878-1215.

Sincerely,

Baden Griffin
